Note, continued.

The Superintendent submits with his docket No: 546 dt 24.3.03 a revised estimate for Rs 83,676/- which is the same as the Sanctioned estimate for 1902-03.

As regards the difference of Rs 5000/- in the Sanctioned estimate for 1902-03 under "Cost of Stationery for Public Departments", he explain that as no formal orders of Govt Sanctioning the Budget allotment

for the current year was received in his office, it was presumed that the estimate given by him, viz, Rs 85,00 was sanctioned and that it was entered as the sanctioned estimate for 02-03. The necessary correction is said to have been made.

The Superintendent further states that sanction of Govt has already been applied for & the purchase of papers manufactured by the Imperial Paper Mills of Calcutta & the Proprietor English Ware House Bangalore and hence that Rs 80,000/- in lieu of Rs 85,000 have been provided for in the proposed estimates for the purchase of Stationery for Public Departments.

A draft provisionally accepting the estimates is put up.

In Compliance with the instructions of Government contained in the docket quoted above, has the honor to re-submit for sanction modified Budget Estimates of Receipts and Expenditure for the ensuing Official year 1903-04 and to observe that, as no formal order of Government

MGCPB—56 reams.—6-12-02.

Government sanctioning the Budget allotment for the current official year was received in the under-signed's office, it was presumed that the amount that was applied for in this Office No 491 dated 25th April 1902 was sanctioned and the figure Viz Rs 85000/ was accordingly entered in the column "Sanctioned Estimate for 1902-03". The necessary correction has now been effected.

The Superintendent has further to state that the Imperial Paper Mills of Calcutta and the Proprietor English Ware House of Bangalore have recently requested the undersigned to purchase from them large quantities of their make of papers bearing the State water mark manufactured for the Imperial Government Sanction of Government for the purchase of these papers from them has already been applied for, and as they will have to be accepted, the same will be held as Stock for the coming year. Hence Rs 80000/- in lieu of Rs 85000/- have been provided for in the proposed Estimates for 1903-04 for the purchase of Stationery for Public Departments.
